

PRESS RELEASE

OPERATIONS AT KENYA AIRPORTS AUTHORITY

14th August 2009

Following media reports of industrial action with an airline, Kenya Airports Authority would like to assure all its stakeholders that operations at its eight airports and airstrips across the country in Nairobi, (JKIA, Wilson), Mombasa, Kisumu, Eldoret, Malindi, Lokicchogio, Wajir, Manda, Ukunda continue to operate normally and all airport services and facilities are available.

Kenya Airports Authority handles a total of 34 Airlines with an estimated 120 flights into JKIA daily. The Authority's management and staff are working closely with all service providers to resolve any airline operational issues that may arise.
